

CHAMP is CUSD's online learning option for families seeking flexible, individualized education with the parent or guardian serving as the at home learning coach. Students will check-in with a CUSD teacher for 60 minutes per week. Delivery of instruction will take place by the learning coach at home.

CURRICULUM

The CHAMP program will utilize the adopted curriculum of Claremont Unified School District. This includes Wonders and Go Math, and may also include supplemental materials such as Nearpod, Newsela, iReady, Mystery Science, and other apps that can be found in the CUSD iPad Self-Service Portal. Teachers may add supplemental materials at their discretion. Pacing and progress can be adjusted based on the individual needs of each students, but CUSD curriculum must be followed.

ASSIGNMENTS

The minimum number of learning activities per subject each week will include:

- 4 English Language Arts
- 4 Math
- 1 Science
- 2 Social Studies
- 1 Physical Education

Please consult your teacher as to how each assignment will be completed and turned in. Teachers may utilize Canvas, email, in-person drop-offs, and other forms of assignment collection.

ATTENDANCE

Following the guidelines of independent study, CHAMP attendance will be based on assignment completion. Each week, teachers will report the percentage of the minimum number of learning assignments completed. Weekly check-ins will allow teachers to monitor assignment completion. Teachers must report attendance by Monday for the previous week. Please work with your child's teacher to discuss attendance requirements.
